Company Overview

Founded in 2016, Dumanje Holdings (Pty) Ltd is a 100% black female-owned business specializing in strategic procurement, sourcing, supply, distribution, logistics and supply chain solutions. We proudly serve mining, agriculture, manufacturing, engineering, energy and public sectors by delivering reliable, cost-effective and time-sensitive procurement and distribution solutions tailored to each client's operational needs.

Vision Statement

To be the preferred strategic sourcing, procurement, logistics and distribution partner across Southern Africa.

Mission Statement

To deliver reliable, cost-effective and tailored procurement, sourcing, logistics, distribution, steel works and fabrication solutions that empower clients to operate efficiently, compete confidently and grow sustainably while upholding integrity, transformation and excellence.

Core Values

- Transformation
- Reliability
- Integrity
- Efficiency
- Client-Centricity
- Innovation
- Compliance & Safety (SHEQ)

Our Services

- Strategic Sourcing & Procurement of industrial materials, PPE, equipment, lubricants, consumables, corporate items, branding materials, promotional items, office supplies, safety products, engineering supplies, and more.
- Logistics, Warehousing, Distribution & Delivery Management.
- Customized Supply Chain Solutions and supplier management.

- Steel Works & Fabrication – custom steel fabrication, structural steel, platforms, brackets and industrial steel solutions.

Why Work With Us

Our experienced procurement and logistics team focuses on supplier reliability, competitive pricing, efficient distribution and responsive customer service. We help clients reduce downtime, improve supply chain efficiency and ensure materials are delivered safely, on time and within budget.

“Let us ease the burden of sourcing, procurement, logistics and distribution so you can focus on growing your business.”

Industries We Serve

- Mining
- Agriculture
- Manufacturing
- Engineering
- Energy & Utilities
- Public Sector Departments

Leadership & Team

Our leadership team combines procurement, sourcing, logistics and operational expertise with a commitment to ethical business practices, supplier development and service excellence.
